

Climb Higher

Edelweiss is a permanent basecamp for B2B vertical market software by entrepreneurs, for entrepreneurs. With our buy & hold forever philosophy, we preserve your brand and provide steady guidance, capital, and resources so your product and people keep moving upwards.

Edelweiss is an operating group of Valsoft Corporation.

	Countries	14+	10+
	Industries	25+	10+
	Companies	125+	10+
	Employees	3,000+	300+

We look to acquire companies with the following characteristics:

B2B Software
Centered on a defensible niche market and/or mission critical workflow for customers

Revenue of \$5-100M
With a strong emphasis on a recurring revenue model and a history of positive profitability

Customer-First Mindset
Highlighting passion for the product, team, and industry characterized by low customer churn and high satisfaction rates

Recent highlights include the following additions to our portfolio:

Workforce Management **July-25**

Queue Management **Sept-25**

LMS & Regulatory Compliance **Nov-24**
